I'm a Bloodhound, black and brown
And I love to sniff the ground
When I sniff I love to find
Scents that have been left behind
I'm a Hound... I'm a Hound - - I'm a Hound, I'm a Hound, I'm a Hound

I'm a Bloodhound, with lots of skin
And if you are wonderin'
My long ears and baggy skin
Help me as I'm trail scenting
I'm a Hound... I'm a Hound - - I'm a Hound, I'm a Hound, I'm a Hound

I'm a Bloodhound, searching one
I love to play, but work is fun
I get to look to find someone
In the snow or rain or in the sun
I'm a Hound... I'm a Hound - - I'm a Hound, I'm a Hound, I'm a Hound

I'm a Bloodhound, Ba-Roo, Ba-Roo
Cows go moo, but I Ba-Roo
It's kind of like, how do you do
Or a song that I will sing to you
Ba-Roo... Ba-Roo... Ba-Roo, Ba-Roo, Ba-roo

Sing this song to the tune of "I'm An Acorn"
